(f) Gross revenue from the sale of any services not otherwise described in this section is situated to this State in the proportion that the purchaser's benefit in this State, with respect to what was purchased, bears to the purchaser's benefit everywhere with respect to what was purchased. For the purposes of this paragraph, the physical location at which the purchaser of a service ultimately uses or receives the benefit of the service that was purchased is paramount in determining the proportion of the benefit in this State to the benefit everywhere. If the records of a business entity do not allow the taxpayer to determine that location, the business entity may use an alternative method to situate gross revenue pursuant to this section if the alternative method is reasonable, is consistently and uniformly applied and is supported by the taxpayer's records as those records exist when the service is provided or within a reasonable period of time thereafter.

(g) Gross revenue not otherwise described in this section is situated to this State if the gross receipts are from business conducted in this State. For the purposes of this paragraph, the physical location of the purchaser is paramount in determining if business is done in this State. If the records of a business entity do not allow the business entity to determine the location of the purchaser, the gross revenue must not be considered to be from business conducted in this State.

2. If the application of the provisions of subsection 1 does not fairly represent the extent of the business conducted in this State by a business entity, the Department may authorize the business entity to the use of an alternative method of situsing gross revenue to this State.

DESCRIPTION OF EFFECT

This referendum asks voters to approve or disapprove the provisions of Senate Bill 483 from the 2015 Legislative Session ("SB483") related to the commerce tax. The tax is imposed on business entities doing business in Nevada whose Nevada gross revenue exceeds \$4,000,000 in a taxable year. If voters approve this referendum, SB483 commerce tax provisions cannot be amended, annulled, repealed, set aside, suspended or in any way made inoperative except by direct vote of the people.

If voters disapprove this referendum, the commerce tax will be eliminated, resulting in a net loss to the State general fund of approximately \$102,000,000 in fiscal year 2018-2019, based on the current State budget. This loss will unsettle the balanced budget prepared by the Legislature for this biennium pursuant to Article 9, Section 2(1) of the Nevada Constitution, making it necessary for the Governor and Legislature to cut spending, draw down the State rainy day fund, raise other taxes, or some combination thereof to balance the budget. This will cause financial uncertainty for the government, and thus the people, of this state. Disapproval of SB483 commerce tax provisions does not prohibit the Legislature from enacting a future commerce tax.
